THE GEORGIA SHERIFFS' ANNUAL DIRECTORY is published by the Georgia Sheriffs' Association, a non-profit corporation. Information regarding programs and services of the Georgia Sheriffs' Association and the Georgia Sheriffs' Youth Homes is available on our website at www.georgiasheriffs.org.

Georgia Sheriffs' Association

Since its beginning in 1954, the *Georgia Sheriffs' Association* has engaged in a variety of activities and provided many services:

- Annual training events for Georgia sheriffs and related personnel, and other valuable crime prevention programs.
- Advocacy at the Georgia General Assembly for tough crime control measures and laws that promote professionalism and enhanced effectiveness of your Office of Sheriff.
- Sponsor of the Georgia Sheriffs' Youth Homes, which provides full-time residential care for the abused, abandoned, and neglected children in the state.

Membership in the Georgia Sheriffs' Association is comprised of Georgia's 159 elected sheriffs. The Georgia Sheriffs' Association also relies on the financial support of nearly 50,000 Honorary Members who believe in the Office of Sheriff and its mission to preserve the peace in our communities.

The Georgia Sheriffs' Youth Homes was established to give our state's most at-risk children the love, safety, and stability needed to become mature, successful adults.

During the late 1950's, Georgia sheriffs became increasingly concerned about the growing number of abandoned, neglected, and abused children. They understood it was vital, not just for the children, but for our state, to give these disadvantaged youth the chance to grow up in a loving and secure home environment.

In 1960, the sheriffs opened the Georgia Sheriffs' Boys Ranch near Hahira where children were taught:

- How to overcome adversity
- Teamwork and accepting authority
- Personal responsibility
- Hygiene and manners

The children were able to learn strong moral values and spiritual awareness, how to participate positively in a community, and how to trust themselves and one another. Over the years, four additional homes have opened across the state for both boys and girls, providing thousands of disadvantaged youth the opportunity to live stable, positive lives in full-time residential facilities.

Both organizations, the *Georgia Sheriffs' Association* and the *Georgia Sheriffs' Youth Homes*, are governed by a Board of Directors who oversee the operations and programs of each. It is the mission of our organizations to promote public safety for the current and future citizens of the state of Georgia.

Georgia Sheriffs' Youth Homes

Mission

The mission of Georgia Sheriffs' Youth Homes is to provide safe, loving residential care for abandoned, neglected and abused children.

Our Story

In the late 1950's the sheriffs of Georgia became concerned about the growing problem of neglected, abused and abandoned children. Early in the 1960's, in response to this problem, the first campus sponsored by the sheriffs opened in Lowndes County. In 1979 that location, Georgia Sheriffs' Boys Ranch, merged with Cherokee Boys Estate, located in Whitfield County, and they became Georgia Sheriffs' Youth Homes. A third campus with an adjoining camp opened in Troup County followed by our fourth campus in Emanuel County. Our fifth campus opened in 2006 in Murray County. Georgia Sheriffs' Youth Homes now serves annually more than one hundred children in residential care and several hundred children participate in its camping program.

Georgia Sheriffs' Youth Homes gives children who are victims of physical and emotional neglect, physical and sexual abuse, and disrupted families throughout Georgia the chance to live a life full of love, support and opportunity in a full-time residential setting. Each child lives in a home with Houseparents where they eat, play and learn as a family. Education, recreation and life skills training are essential components of our program.

Each child that arrives on our campuses is recognized as a unique individual who has experienced different challenges that need special attention. The staff of Youth Homes opens their hearts and their arms to these children to free them from the uncertainties and stresses that separated them from their families. We provide counseling, teach life skills, and encourage the children to engage in school activities. Every Youth Homes child is offered the opportunity to attend college or technical school once they graduate from high school. They continue to receive nurturing support until their education is complete and they begin lives on their own.

At Georgia Sheriffs' Youth Homes each child we assist in their journey to adulthood is a success story. We have served thousands of children during our more than 50 years of service. Youth Homes' alumni include doctors, military officers, teachers and counselors as well as successful business men and women.

Since our primary source of revenue is contributions, these stories of success would not be possible without the generous support of the sheriffs and the people of Georgia. Many volunteers give countless hours each year to hold fundraising events on our behalf. Their enthusiasm and joy in working with our program is a blessing to all.

If you are one of those generous contributors, we say thank you! If you are not, please consider a contribution in any amount. Each gift, no matter the size is important and appreciated.

If you would like more information about our program, please visit our website at www.georgiasheriffsyouth.org or on Facebook.

GEORGIA SHERIFFS' ASSOCIATION

The Georgia Sheriffs' Association was founded in 1954 by a group of sheriffs wanting to professionalize the Office of Sheriff through legislative action, training, crime prevention and crime awareness programs. The Office of Sheriff predates the Georgia Constitution. Indeed, sheriffs throughout Georgia still have most of the duties, authority, and powers granted to them through common law by the King of England.

Membership in the Georgia Sheriffs' Association is comprised of the 159 sheriffs of Georgia. Sheriffs are the chief law enforcement officers of their respective counties, serve all superior courts, most inferior courts, and are custodians of all county prisoners.

A Board of Directors governs the Association. It is made up of five executive officers, ten regional vice presidents, and all active past presidents.

The Georgia Sheriffs' Association is a 501(c)(3) charitable corporation and has more than 50,000 active honorary members throughout Georgia who support its programs.

Today, the Association is involved in many activities. Some of the primary areas of concern for the sheriffs in Georgia and the programs which the Association is deeply involved are crime prevention, crime awareness, juvenile delinquency, public relations, law enforcement training, legal referrals, government service referrals, program and resource development, and child care agencies.

The Georgia Sheriffs' Association sponsors the Georgia Sheriffs' Youth Homes. Campuses are located in Emanuel, Lowndes, Murray, Troup, and Whitfield Counties. These residential and emergency care campuses have provided care for thousands of Georgia's abandoned, dependent, abused, and neglected children.

Without the right tools, it's just a belt.

- Let Local Government Risk Management Services help you get the right tools to reduce officer injury and department liability. Our law enforcement programs can provide onsite training, consultation, and Loss Control benefits at no additional costs with participation in the ACCG insurance pool.
- LGRMS offers up-to-date onsite and regional trainings that include the Ti Response to Resistance Training System, Doron Driver Training Simulator, and a large variety of legal and liability trainings.
- Finally, we provide up-to-date Model Policies that will help provide foundation for standard operating procedures. LGRMS has contracted with Jack Ryan and the Legal & Liability Risk Management Institute to provide our agencies with key model policies.

"Our agency has used the Eagle Advantage product since January 2004, and it has served our needs very well. The EAS staff are always helpful, courteous and professional in every way. When my agency needs support, we can always count on EAS to be there for us and they consistently go above and beyond what is expected."

- LT. COL. ROBERT BRANNEN
TIFT COUNTY SHERIFF'S OFFICE
TIFTON, GEORGIA

"We began using Eagle Advantage in 2006. Since that time we have been very pleased with Eagle's performance and with rarely needed Technical Support. In fact, the support staff has gone as far as to provide assistance with system problems unrelated to Eagle. Thanks Eagle Advantage for all you do."

- LT. FRANK COPELAND
GILMER COUNTY SHERIFF'S OFFICE
ELLIJAY, GEORGIA

"I have been using Eagle for the last six years and I believe it to be a solid product. It handles our day-to-day tasks efficiently and effectively. While the software is great, the customer service provided with it is phenomenal. Eagle Advantage Solutions has always been there to answer my questions, and everyone there has been prompt and professional. This alone makes EAS an asset to our field."
