THE GEORGIA SHERIFFS' ANNUAL DIRECTORY is published by the Georgia Sheriffs' Association, a non-profit corporation. Information regarding programs and services of the Georgia Sheriffs' Association and the Georgia Sheriffs' Youth Homes is available on our website at www.georgiasheriffs.org.

## Georgia Sheriffs' Association

Since its beginning in 1954, the *Georgia Sheriffs' Association* has engaged in various activities and provided many services:

- Annual training events for Georgia sheriffs and related personnel.
- Advocacy at the Georgia General Assembly for tough crime control measures and laws that promote professionalism and enhanced effectiveness of your Office of Sheriff.
- Sponsor of the Georgia Sheriffs' Youth Homes, which provides full-time residential care for abused, abandoned, and neglected children in the state.

Membership in the Georgia Sheriffs' Association is comprised of Georgia's 159 elected sheriffs. The Georgia Sheriffs' Association also relies on the financial support of nearly 50,000 Honorary Members who believe in the Office of Sheriff and its mission to preserve the peace in our communities.

*The Georgia Sheriffs' Youth Homes* was established to give our state's most at-risk children the love, safety, and stability needed to become mature, successful adults.

During the late 1950's, Georgia sheriffs became increasingly concerned about the growing number of abandoned, neglected, and abused children. They understood it was vital, not just for the children but for our state, to give these disadvantaged youth a chance to grow up in a loving and secure home environment.

In 1960, the sheriffs opened the Georgia Sheriffs' Boys Ranch near Hahira, where children learned:

- How to overcome adversity
- Teamwork and accepting authority
- Personal responsibility
- Hygiene and manners

The children learned strong moral values and spiritual awareness, how to participate positively in a community, and the ability to trust themselves and one another. Over the years, four additional homes have opened across the state for both boys and girls, providing thousands of disadvantaged youth the opportunity to live stable, positive lives in full-time residential facilities.

Both organizations, the *Georgia Sheriffs' Association* and the *Georgia Sheriffs' Youth Homes*, are governed by a Board of Directors who oversee the operations and programs of each. It is the mission of our organizations to promote public safety for the current and future citizens of the state of Georgia.

## Georgia Sheriffs' Youth Homes

Mission

The mission of Georgia Sheriffs' Youth Homes is to provide safe, loving residential care for abandoned, neglected and abused children.

## Our Story

In the late 1950's the sheriffs of Georgia became concerned about the growing problem of neglected, abused and abandoned children. Early in the 1960's, in response to this problem, the first campus sponsored by the sheriffs opened in Lowndes County. In 1979 that location, Georgia Sheriffs' Boys Ranch, merged with Cherokee Boys Estate, located in Whitfield County, and they became Georgia Sheriffs' Youth Homes. A third campus with an adjoining camp opened in Troup County, followed by our fourth campus in Emanuel County. Our fifth campus opened in 2006 in Murray County. Annually, the Georgia Sheriffs' Youth Homes now serves more than one hundred children in residential care, and several hundred children participate in its camping program.

Georgia Sheriffs' Youth Homes gives children who are victims of physical and emotional neglect, physical and sexual abuse, and disrupted families the chance to live a life full of love, support and opportunity in a full-time residential setting. Each child lives in a home with Houseparents where they eat, play, and learn as a family. Education, recreation, and life skills training are essential components of our program.

Each child that arrives on our campuses is recognized as a unique individual who has experienced different challenges that need special attention. The staff of Youth Homes opens their hearts and arms to these children to free them from the uncertainties and stresses that separated them from their families. We provide counseling, teach life skills, and encourage the children to engage in school activities. Every Youth Homes child is offered the opportunity to attend college or technical school once they graduate from high school. They continue to receive nurturing support until their education is complete and they begin lives on their own.

At Georgia Sheriffs' Youth Homes, each child we assist in their journey to adulthood is a success story. We have served thousands of children for over 50 years of service. Youth Homes' alumni include doctors, military officers, teachers, and counselors, as well as successful business men and women.

Since our primary source of revenue is contributions, these stories of success would not be possible without the generous support of the sheriffs and the people of Georgia. Many volunteers give countless hours each year to hold fundraising events on our behalf. Their enthusiasm and joy in working with our program is a blessing to all.

If you are one of those generous contributors, we say thank you! If you are not, please consider a contribution in any amount. Each gift, no matter the size, is important and appreciated.

If you would like more information about our program, please visit our website at www.georgiasheriffsyouth.org or on Facebook.

## GEORGIA SHERIFFS' ASSOCIATION

## Celebrating 70 Years

The Georgia Sheriffs' Association was founded in 1954 by a group of sheriffs wanting to professionalize the Office of Sheriff through legislative action, training, crime prevention and crime awareness programs. The Office of Sheriff predates the Georgia Constitution. Indeed, sheriffs throughout Georgia still have most of the duties, authority, and powers granted to them through common law by the King of England.

Membership in the Georgia Sheriffs' Association is comprised of the 159 sheriffs of Georgia. Sheriffs are the chief law enforcement officers of their respective counties, serve all superior courts, most inferior courts, and are custodians of all county prisoners.

A Board of Directors governs the Association, consisting of five executive officers, ten regional vice presidents, and all active past presidents.

The Georgia Sheriffs' Association is a 501(c)(3) charitable corporation and has more than 50,000 active honorary members throughout Georgia who support its programs.

Today, the Association is involved in many activities. Some of the primary areas of concern for the sheriffs in Georgia and the programs which the Association is deeply involved are crime prevention,

The Georgia Sheriffs' Association sponsors the Georgia Sheriffs' Youth Homes. Campuses are located in Emanuel, Lowndes, Murray, Troup, and Whitfield Counties. These residential and emergency care campuses have provided care for thousands of Georgia's abandoned, dependent, abused, and neglected children.

SPSI is a Georgia based chemical provider. Over the last 20 years we have grown into one of the largest chemical providers for Georgia Corrections. We have reshaped the relationship between your Jail and your chemical provider through exceptional customer service. There are two ways that we separate ourselves. First, we provide inventory management services to keep you supplied with chemicals. Secondly, we pride ourselves on timely and professional service to keep your dispensers working properly. We find that these two steps help mitigate most problems. We believe our commitment to customer service will ensure our continued growth in Georgia Corrections. We look forward to hearing from you soon.
